## **I-95 Northbound Traffic Shift Planned Thursday**

**Jacksonville** – Florida Department of Transportation (FDOT) advises that a traffic shift will be in place beginning Thursday, weather permitting, as part of the I-95/JTB Interchange Improvement Project.

Motorists traveling I-95 northbound at the Butler Boulevard exit will be shifted to the original I-95 southbound lanes during reconstruction of the new I-95 northbound bridge.

Lane closures on I-95 northbound will begin at 8 p.m. Thursday and will last until 6 a.m. Friday.

Up-to-date lane closure information is available on the project website at [www.nflroads.com/95andbutler](http://www.nflroads.com/95andbutler). A project hotline number has been established to assist the public with questions and concerns: 904-491-2133.

FDOT strives to keep construction zones safe. Motorists are urged to pay attention and are reminded that speeding fines are doubled when workers are present in the work zone.
